

## WEST Search History for Application 10816571

Creation Date: 2010112210:30

benzalkonium chloride or cetylpyridinium chloride or BTC 835 or hexachlorophene or triclosan or chlorhexidine or benzethonium chloride or alkylbenzyltrimethylammonium chloride or alkyltrimethyl ethylbenzylammonium chloride or n\$1alkyltrimethylbenzylammonium chloride or

diisobutylphenoxyethoxyethyltrimethylbenzylammonium chloride or dimethylbenzylammonium chloride or didecyltrimethylammonium chloride or dioctyltrimethylammonium chloride or dialkyltrimethylammonium chloride or dialkylmethylbenzylammonium chloride or octyldecyltrimethylammonium chloride or lauryltrimethylbenzylammonium chloride or o benzyl p chlorophenol or diderlydimethylammonium chloride or dioctyltrimethylammonium chloride or dimethylbenzylammonium chloridePGPB, USPT ADJ 05-13-2008

isopropylPGPB, USPT ADJ 05-13-2008

(benzalkonium chloride or cetylpyridinium chloride or BTC 835 or hexachlorophene or triclosan or chlorhexidine or benzethonium chloride or alkylbenzyltrimethylammonium chloride or alkyltrimethyl ethylbenzylammonium chloride or

n\$1alkyltrimethylbenzylammonium chloride or diisobutylphenoxyethoxyethyltrimethylbenzylammonium chloride or dimethylbenzylammonium chloride or didecyltrimethylammonium chloride or dioctyltrimethylammonium chloride or dialkyltrimethylammonium chloride or dialkylmethylbenzylammonium chloride or octyldecyltrimethylammonium chloride or lauryltrimethylbenzylammonium chloride or o benzyl p chlorophenol or diderlydimethylammonium chloride or dioctyltrimethylammonium chloride or dimethylbenzylammonium chloride ) and (isopropyl )PGPB, USPT ADJ 05-13-2008

lesion or sore or pox or pustulePGPB, USPT ADJ 05-13-2008

(benzalkonium chloride or cetylpyridinium chloride or BTC 835 or hexachlorophene or triclosan or chlorhexidine or benzethonium chloride or alkylbenzyltrimethylammonium chloride or alkyltrimethyl ethylbenzylammonium chloride or

n\$1alkyltrimethylbenzylammonium chloride or diisobutylphenoxyethoxyethyltrimethylbenzylammonium chloride or dimethylbenzylammonium chloride or didecyltrimethylammonium chloride or dioctyltrimethylammonium chloride or dialkyltrimethylammonium chloride or dialkylmethylbenzylammonium chloride or octyldecyltrimethylammonium chloride or lauryltrimethylbenzylammonium chloride or o benzyl p chlorophenol or diderlydimethylammonium chloride or dioctyltrimethylammonium chloride or dimethylbenzylammonium chloride and isopropyl ) and (lesion or sore or pox or pustule )PGPB, USPT ADJ 05-13-2008

smallpoxPGPB, USPT ADJ 05-13-2008

(benzalkonium chloride or cetylpyridinium chloride or BTC 835 or hexachlorophene or triclosan or chlorhexidine or benzethonium chloride or alkylbenzyltrimethylammonium chloride or alkyltrimethyl ethylbenzylammonium chloride or

n\$1alkyltrimethylbenzylammonium chloride or diisobutylphenoxyethoxyethyltrimethylbenzylammonium chloride or dimethylbenzylammonium chloride or didecyltrimethylammonium chloride or dioctyltrimethylammonium chloride or dialkyltrimethylammonium chloride or dialkylmethylbenzylammonium chloride or octyldecyltrimethylammonium chloride or lauryltrimethylbenzylammonium chloride or o benzyl p chlorophenol or

dideryldimethylammonium chloride or dioctyldimethylammonium chloride or dimethylbenzylammonium chloride and isopropyl and lesion or sore or pox or pustule ) and (smallpox )PGPB, USPT ADJ 05-13-2008
